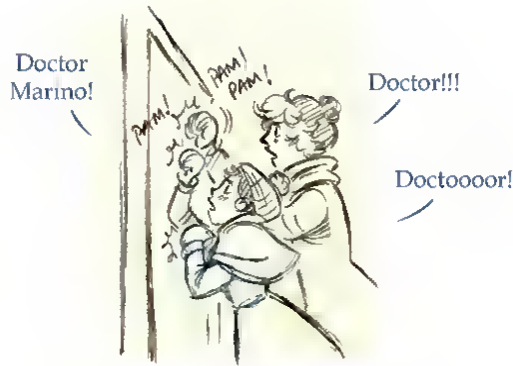
Nobody knows where she is!
Calm down, Rebeca, we'll find her.

Look!
Isn't that her
sled?!!



Doctor Marino!
PAM! PAM!
PAM!
Doctor!!!
Doctoooor!!!

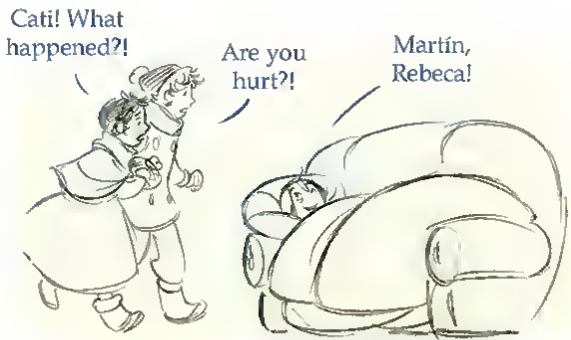
Who's calling at this hour?!

It's 11 o'clock!
Are you...
Are you *drunk*?!

You are a doctor, for God's sake!!!
I don't drink, child!

Doctor Marino, we are looking for Cati.
Do you know where she is?
Mmm!!

Second door on the left.



Cati! What happened?!
Are you hurt?!
Martín, Rebeca!

I had an accident with the sled, but I'm fine, don't worry.
Why did you go without us? You have never used one before!

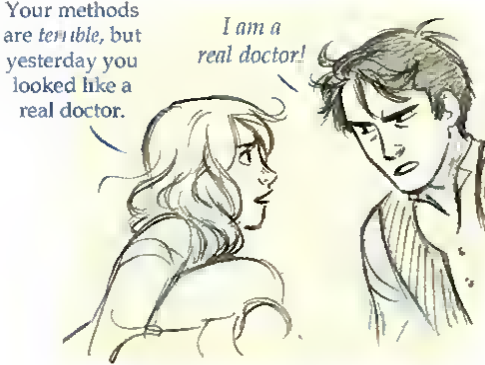
I'm so sorry; I made a mistake.
Fortunately the doctor found me.

There are milk and cookies in the kitchen if you want to have breakfast

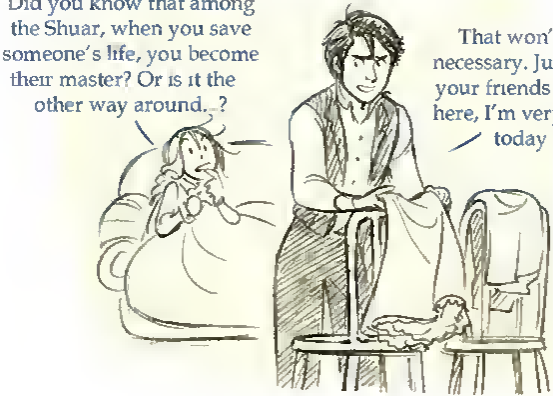
Call us if you need some help, Cati.
Wow, it's too hot in here!

You feel better, right? I checked on you many times.
You slept like a baby.

... a *snoring* baby.



Your methods are *terrible*, but yesterday you looked like a real doctor.
I am a real doctor!

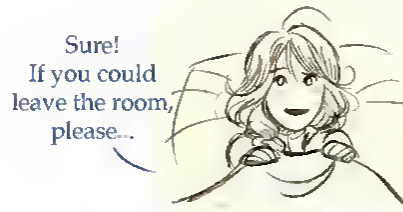


I owe you my life. Did you know that among the Shuar, when you save someone's life, you become their master? Or is it the other way around...?
That won't be necessary. Just take your friends out of here, I'm very busy today

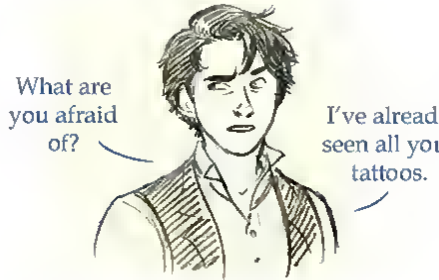
And please, promise me you'll be more careful in the future.
You really scared me yesterday.

I promise, doctor. I don't know how you found me, but...
...thank you very much.

I... I was taking a walk and...
Anyway, get dressed and go home



Sure!
If you could
leave the room,
please...



What are you afraid of?
I've already seen all your tattoos.

PAF!
ouch!

Hahaha!

Haha…
ha–

You are a doctor, for God's sake!
